

Double or triple wall cardboard box with a pallet base, plus a sleeve and a lid. The ideal solution for goods that can be fixed to the base.

Characteristics:

- Standard production: triple wall sleeve and double wall lid.
- Base options: 4-way and 2-way entry.
- Lateral reinforcement available to increase consistency.
- Not usually stackable.
- Box delivered pre-assembled for small orders.
- For large volumes, box delivered unassembled for ease of transport and storage.
- Tools required to affix staples or nails.
- Made to other measurements at the customer's request.
